

**Great Britain. Army. Sutherland Highlanders
Foot Regiment XS1 MS A110**

200 plus page book containing hand written notes on various regiments of the British Army (85th through 95th).

Only a small percentage of the pages within the book contain any information, the majority are blank. For each regiment there is a partial list of Colonels dated circa late 18th to late 19th centuries. There is detailed histories of the 91st Princess Louises Argyllshire Highlanders, the 92nd Gordon Highlanders, and the 93rd Sutherland Highlanders (for which this collection is named for it had the most detailed account). Each regimental history deals with the regiment's inception and the campaigns they were involved in.
