STRATEGIC PRIORITIES 2017-2020

TRANSFORM OUR PHYSICAL AND DIGITAL SPACES

In order to create tailored, cohesive and accessible experiences for our users.

- Refresh the Library
- Master Space Plan
- Implement an integrated library service model
- Upgrade policy and technical infrastructure
- Refine our discovery strategy

POSITION THE LIBRARY AS THE HUB OF OPEN INITIATIVES

In order to enhance sharing of educational materials and research outputs.

- Increase the adoption, adaptation, and production of Open Educational Resources
- Create robust platforms and policies to support open dissemination of U of G research
- Support the transition to a more open scholarly ecosystem

INTEGRATE SERVICES AND RESOURCES INTO TEACHING AND LEARNING

In order to deliver library content to users at point of need.

- Integrate library content into the learning management system
- Support technology-rich learning, media, and creation
- Facilitate experiential learning opportunities

FOSTER AN INCLUSIVE AND ENGAGED STAFF CULTURE

In order to grow and develop as an organization.

- Prioritize, communicate, and implement Organizational Review Committee recommendations

CONTRIBUTE TO STRATEGIC CAMPUS INITIATIVES

In order to achieve shared goals.

- Engage with key objectives identified in the Strategic Mandate Agreement
- Deliver programs and services to support research creation, dissemination, and curation
- Develop a strategic communications plan
- Support knowledge mobilization

ADOPT EVIDENCE-BASED PRACTICES

In order to inform decisions about library policy and programming.

- Develop and implement a library assessment plan
- Contribute to the University’s data portal strategy
