

# LIBRARY STRATEGIC PRIORITIES 2022-23

## TRANSFORM OUR PHYSICAL AND DIGITAL SPACES

In order to create tailored, cohesive and accessible experiences for our users

Launch the design phase of the First Floor Project

Implement the McLaughlin Library Digital Strategy

Finalize the Digital Preservation Framework

Launch the Library Accessibility Task Force

## INTEGRATE SERVICES AND RESOURCES INTO TEACHING AND LEARNING

In order to deliver library content to users at point of need

Strengthen the Library's role in teaching & learning on campus

Explore and implement tools to enhance access to our collections

## POSITION THE LIBRARY AS THE HUB OF OPEN INITIATIVES

In order to enhance sharing of educational materials and research outputs

Establish a university-wide task force to lead an institutional response to the 2015 Tri-Agency Policy on Publications

Build library capacity (service & technology) to support open dissemination of scholarship

Review the mandate and future of the Open and Affordable Course Content Task Force

## CONTRIBUTE TO STRATEGIC CAMPUS INITIATIVES

In order to achieve shared goals

Establish a U of G RDM institutional strategy

Develop a Library Hiring Plan to ensure we have the capacity to support campus priorities and initiatives

## FOSTER AN INCLUSIVE AND ENGAGED STAFF CULTURE

In order to grow and develop as an organization

Focus on staff engagement opportunities to enhance community and belonging

Provide staff IEDI training opportunities

## ADOPT EVIDENCE-BASED PRACTICES

In order to inform decisions about library policy and programming

Update our organizational document management practices

Establish a mandate and assessment plan for the Assessment & Reporting Team
